

## Copper Hill Inc. is Pleased to Announce the Addition of Daniel Cruz to our Team as Director, Mexico Operations

With over 15 years of experience in foreign trade, Daniel brings a wealth of knowledge and expertise to our company.

"Daniel's experience in foreign trade and his understanding of various industries will be a tremendous asset to Copper Hill as we continue to expand our international trade operations," said Jenae Ciecko, President of Copper Hill. "We are thrilled to have him join our team and look forward to the contributions he will make."

Throughout his career, Daniel has demonstrated a deep understanding of Free Trade Agreement qualification, country of origin determination, supplier solicitation, managing multiple worldwide trade agreements, fiscal warehouse, classification, IMMEX, pre-entry audit, post-entry audit, and broker management. He has worked in a variety of industries, including automotive, aerospace, healthcare, medical, and pharma, providing him with a broad understanding of the requirements and regulations of each industry.

Daniel earned his International Bachelor Degree in International Business Administration from Tecnológico de Monterrey, which demonstrates his strong understanding of the global business environment and his ability to navigate the complexities of international trade.

At Copper Hill Inc., we are confident that Daniel's expertise and experience will help us achieve our international trade goals and expand our operations. We welcome him to the team and look forward to working with him.
